CRISIS CENTER

601-482-2430

Thanks to the men from FBC Meridian and FBC Marion who picked up and delivered food that was ordered from MS Food Network this month. Without their efforts we could not place orders and receive this much needed food!

We received several monetary donations this month from individuals and we are very appreciative. This money allows us to order food from MS Food Network as well as purchase food items when our shelves are bare. Also, thanks to those SS classes who faithfully do special projects each month.

As a reminder — memorial gifts may be made to the Crisis Center and we are very thankful for the ones we received this month.

MOPS

Mothers of Preschoolers is in need of a Childcare Coordinator for meetings on the 1st, 2nd and 4th Thursday of each month from 9 to noon through May.

This is a paid position. Contact Mandie Todd at fabmops@yahoo.com or 601-604-5094 before 8 pm.

MERIDIAN BSU

THE STATE OF THE (BAPTIST STUDENT) UNION ADDRESS

I would like to take this time to share with you where we have come from and where we are headed. The BSU is in exciting times. Change is all around us and as we look back at what the Lord has done over the last year it is with great joy that we raise our Ebenezer (thus far the Lord is with us!)

Just about a year ago we closed on a piece of property next to the college. Since that time we have watched the hand of God working both in the process of zoning change and in the churches giving toward our future on the campuses. Also in the last year we have seen the discipleship with our students take a turn toward reaching out to others and discipling others. We have seen former students return asking for resources to disciple students at their four year colleges. And we have seen our student leaders become self-starting leaders who capture a vision from the Lord and run with it.

As I look at the past year and see the spiritual and physical growth of our ministry, it gives me hope for our ministry in the year to come. A year where we will be in our own property instead of renting, a year where we will see students impacting our campuses and the world, a year where BSU students become leaders in our churches. What a year it will be!
