601-482-2430

Thanks to the men from Oak Hill BC who picked up and delivered food that was ordered from MS Food Network this month. We appreciate all the groups who do this job for us! If you would like to help with this ministry, please give us a call!

Thanks to the Phoebean SS Class from New Hope BC and the 50+ SS Class from Causeyville BC who brought monetary donations this month.

Those churches responsible for collecting food for the month of March include Central, FBC Meridian, Pine Grove and Trinity. Bethany, Midway, Northcrest and Toomsaba BC should be collecting food now for the month of April.

Thank you for all that you do for the Crisis Center ministry!

If you are participating in the BUCKETS OF HOPE for Haiti, please remember to have your buckets at the LBA Office by March 9th. Pickup is scheduled for March 10th.

## MERIDIAN BSU

601-693-2674

**In the last newsletter I shared with you the 11 students who have been appointed to serve this year as summer missionaries. Please continue to remember them in your prayers. Of those eleven, two are serving internationally and will be responsible for raising their own funds for the trip. If you would like to help these students you can send money to the BSU or the LBA on their behalf.**

**Also, please be in prayer for several students who are applying to serve at camps for this coming summer and some considering summer church positions. Pray that they will find the place that the Lord wants them to serve.**

**I ask that you be in prayer over the next month or so as we begin the process of identifying our leadership for next year. One of the challenges of a two-year school is maintaining solid leadership year in and year out. Please pray that God calls out leaders who truly want to lead and do not want just a leadership title.**
